

Symptom Oriented Pain Management- 2nd Edition

Editors-Baheti DK, Bakshi Sanjay, Gupta Sanjeeva, Gehdoo RP

Table of contents

Section A- Basics

- 1. Historical aspects of Pain**
- 2. Acute Pain**
- 3. Acute turning to chronic**
- 4. Chronic Pain**
- 5. Clinical Pharmacology of Pain Medications**

Section B- Clinical Examination and Evaluation

- 6. Clinical Examination and Evaluation**
- 7. Clinical Examination and Evaluation of Cervical Spine**
- 8. Clinical Examination and Evaluation of Lumbar Spine**

SECTION B-Understanding Imaging modalities for pain patient

- 9. Interpretation of X-ray Spine**
- 10. Interpretation of CT Scan for Interventional Pain Treatment Procedures**
- 11. Interpretation of MRI for Pain Practice**
- 12. Role of Electro diagnosis in the Pain management- Bone Mineral Density (BMD): Interpretation, Treatment & Prevention**

SECTION C-CERVICAL/ NECK PAIN

- 13. Headache: Causes and Treatment**
- 14. Occipital Neuralgia: Causes and Treatment**
- 15. Trigeminal Neuralgia: Causes and Treatment**
- 16. Cervical Radiculopathy: Causes and Treatment**
- 17. Cervical Facet Joint Pain and Its Management**
- 18. Cervical Diskogenic Pain and Its Management**

SECTION D-LOW BACK PAIN

- 19. Focal Back Pain and Its Management**
- 20. Lumbosacral Radiculopathy Pain and Its Management**
- 21. Lumbar Facet Pain Syndrome and Its Management**
- 22. Lumbar Spinal/Canal Stenosis and Its Pain**
- 23. Lumbar Diskogenic Back Pain and Its Management**
- 24. Sacroiliac Joint Pain Syndrome and Its Management**
- 25. Coccygodynia: Causes and Pain Management**
- 26. Piriformis and Iliopsoas Pain Syndromes and Its Pain Management**

SECTION E-UROGENITAL AND PELVIC PAIN

- 27. Nonmalignant Urogenital Pain Management**

28. Nonmalignant Pelvic Pain

SECTION F-CANCER PAIN

- 29. Head and Neck Cancer Pain Management**
- 30. Carcinoma Breast: Pain and Its Management**
- 31. Carcinoma Lung: Pain and Its Management**
- 32. Upper Abdominal Malignancy Pain and Its Management**
- 33. Malignant Pelvic Pain and Its Management**
- 34. Metastatic Bone Pain Management**

SECTION G-NEUROPATHIC PAIN

- 35. Diabetic Neuropathy: Pain and Its Management**
- 36. Neuropathic Pain (Non Diabetic): Pathophysiology and Pain Management**

SECTION H-ISCHEMIC PAIN

- 37. Peripheral Vascular Disease: Causes and Pain Management-**

SECTION J—MYOFASCIAL PAIN

- 38. Myofascial Pain**
- 39. Back and Related Muscle Spasm: Causes and Pain Management**
- 40. Fibromyalgia: Causes and Pain Management**
- 41. Blephero Spasm**

SECTION I—SCAR PAIN

- 42. Post Hernioraphy pain**
- 43. Post CABG Scar Pain and Its Management**
- 44. SECTION L—CHALLENGING PAIN**
- 45. Complex Regional Pain Syndrome (CRPS): Causes and Pain Management**
- 46. Phantom Limb Pain: Causes and Pain Management**
- 47. Post Herpetic Neuralgia: Causes and Pain Management**
- 48. Post Laminectomy Pain and Its Management**
- 49. Restless Leg Syndrome: Causes and Pain Management**
- 50. Calcyphylaxis: Causes and Management**
- 51. Uhydrosis: Causes and Management**
- 52. Unstable Angina Pain: Causes & Management**

SECTION J-PHYSIOTHERAPY

- 53. Role of Physiotherapy in Treatment of Spinal Pain during Acute Inflammatory Phase**
- 54. Role of Physiotherapy in Management of Spinal Pain during Sub acute Reparative Phase**
- 55. Role of Physiotherapist in Management of Chronic Pain**

SECTION K—PSYCHOTHERAPY

- 56. Psychiatric Medications in Chronic Pain Management**
- 57. Pain Psychology and Its Treatment Options**

SECTION L-ALLIED THERAPY

58. Role of Radiation Therapy in Chronic Pain Management

59. Role of Chemotherapy in Chronic Pain Management

60. Role of Oncosurgery in Chronic Pain Management

61. Management of Chronic Ophthalmic Pain

SECTION M—MISCELLANEOUS

62. Role of Yoga and Relaxation Exercises in Chronic Pain Management
